

November 1, 2017

Hello Dancers and Families!

It's time to start preparing for the Rotary Music Festival again! The dates this year are April 11 to 21, 2018. The dance days have traditionally been the first two, but some groups get selected to participate in the final performances at the end of the entire festival. **Please note that Leaping Feats has no control over the festival schedule and will not know exact times or dates until a week prior to the festival.**

Our students continue to do an amazing job, and each year will just get better! Being involved in a convention, like the RMF, gives our students the opportunity to both showcase their skills and receive essential feedback about their progress. As the coordinator for the dance festival portion, I continue to improve the Rotary festival process the best I can. I will submit all entries and be the main point of contact during the festival.

All dancers currently registered in EMYS, Beat Street 1/2/3/4, Freshest Kids, Krush Groove, Rep A, Rep B, Rep C, and Hip Hop Performing 2 (Thursdays)/3 (Tuesdays)/4 (Mondays) will have a piece entered. **The group numbers are a mandatory part of these programs, and the entry fees were part of the registration fees.** Students also have the choice to enter the Student Choreography category, or to be a part of our extra choreography program that is offered to EMYS, Rep, Krush Groove and Freshest Kids.

***Student Choreography Entries \*NEW\****

All student choreography entries are to be auditioned on January 7<sup>th</sup>, 2018. There will be a refundable **audition/entry fee of \$20.00 per dancer due December 15<sup>th</sup>, 2017**. If you are only interested in auditioning your student choreography piece for GoNuts, there is no fee. If dancers are looking for some guidance leading up to the Rotary Festival, teachers are available for semi-private lessons at \$60.00 per hour. Experience has shown us that dancers creating their own choreography really benefit from some teacher guidance and input before entering a convention.

We are looking forward to everyone's participation and another successful festival!  
~ Kate
